## The *fuzzy default underlying world-view* of Reality, seen as consisting of 3 aspects, the Theistic, the Magical and the Predictable

Theistic/Spiritual GOD and the Gods. Zeus, Brahma YHWH Allah

> Angels, Spirits, Ancestors, Souls, Devas, Devils,

Legic, Supernatural Miraculous Inexplicable unpredictable events without known or understood causes are seen as the work of T, Miracle or Magic, Benign or Malevolent Supernatural events.

Those elements of life which are predictable and explicable and operate consistently, from cause to effect, becomes Science.

This TMP world-view operates across cultures and times from hunter-gather to modern man and underlies all religions. In early societies the M area is larger, in modern societies smaller as more is seen as predictable and consistent. For some M is rejected, but T still operates. (Deists) For Dawkins and secular atheists, only P gives a valid take on reality. Few are that consistent..
